Parent Involvement

- The RAES administration, faculty, and staff invites parents to visit the school, your child's classroom, and to participate in a number of school/classroom events that will be held throughout the school year.
- Parents are a child's first teacher and a parent's attitude, outlook toward, and support related to education has a direct correlation to a child's academic success.
- Please review school materials sent home as important information from teachers and the school comes home almost daily.
- Parent involvement sessions and other fun school activities take place throughout the year. Please plan to attend as many events as possible. Examples: PTO Family Reading and Fun Nights, Trunk or Treat, and Parent Educational Sessions.

Bus Notes/Changes

For Safety purposes:

1. Requests for bus changes made by telephone WILL NOT be permitted. Our goal is not to inconvenience you, but to ensure safe and proper transportation for your child. **Students will only be dropped off at their listed Primary, Secondary, and emergency stops.**

2. A separate note is required for each student. (Notes for multiple children, even from same family, will not be accepted.)

3. Please limit bus changes. It is our priority to provide a safe experience at Rockwood Area School. Last minute bus changes makes it very difficult to properly account for each student. When writing a bus change note, please include the following information:

- 1. FIRST and LAST NAME of student.
- 2. NAME of Homeroom Teacher.
- 3. GRADE of Student.
