

## ROCK Dec 11-15, 2023

### Algebra 2 student:

- Monday --- in google classroom is link for a KAHOOT to play on graphing linear inequalities.
- Tuesday --- In google classroom are 2 links from KAHOOT to play on graphing linear inequalities as a system and solution points.
- Wednesday --- Practice worksheets guided by Mrs. Pletcher on graphing linear inequalities
  - 1st - read a solution from graph
  - 2nd - check by system of inequalities
  - 3rd - graph a system of linear inequalities by slope intercept form
  - 4th - solve for y in inequalities
- Thursday ---continue practice worksheets
- **Friday --- test on graphing inequalities**
