## About Me!

This is my 18<sup>th</sup> year teaching at Rockwood. I taught 2<sup>nd</sup> grade for 9 years and then 4<sup>th</sup> and 5<sup>th</sup> grade for a few more years. I am excited to be back in 2<sup>nd</sup> grade. It's the best! I live in Rockwood with my husband Adam, and our two children Paul (13) and Jack (10). I love learning new things, and I will be sure to instill my love of learning in your child. I am looking forward to a great year with you and your child.
