

Dear Students and Parents,

You are receiving this message as notification for the RASD Student Food Program. Immediate family of current Rockwood Area School District students can receive curbside pick up starting Thursday March 19, 2020 from 4-6 PM in the Rockwood Elementary Parking Lot. The program will continue weekly based upon need. Information related to future dates will be communicated by Rockwood Area School District officials. Distribution could increase in frequency based on community need. Food being distributed will include perishable and non-perishable food items. The distributed food is intended to supply needed meals for families over multiple days. This program is based on a food pantry system and goes above the requirements of the school lunch program.

This program is open to families of current Rockwood Area School District students, including those enrolled in Pre-K. This is open to All families regardless of income. This is a community outreach Program.

All families are encouraged to participate if they are in need of food during this difficult time. Future distribution may be adjusted according to participation and demand.

This will be a curbside pickup process. Please follow the designated route and stay in your vehicle. Participants are asked to use courtesy during this process.

Again, the RASD Student Food Program will begin on Thursday, March 19th, 2020. Food will be available for families from 4-6pm.

If you have any questions, please contact 814-926-4688 or email: admin@rockwoodschoools.org
