

Your 1<sup>st</sup> assignment for 2<sup>nd</sup> grade is to put together an “ALL ABOUT ME BOX”. This assignment will be due by **Friday September 14<sup>th</sup>**. You are to decide on different objects that represent you and put these objects in a shoebox to bring to school (if you do not have a shoebox just use a paper bag, *or you can be creative!*) This assignment will help us get to know one another. Please do not bring in anything that is valuable to you or your family (in case it would get lost or broken coming or going from school). Please try to include at least 5 (**but no more than 10**) items. Your items will be returned.

For example some of the things that I may have included in my bag were;

- My Favorite book because I love to read
- A picture of my family hiking because I love my family and hiking.
- My biking helmet because biking is my favorite hobby.
- A Coffee mug because Coffee is my favorite drink.
- Some early fall leaves because I love the outdoors.
- By running shoes because I love to run.

Pictures are great to include but please do not bring more than 2 or 3 and only bring pictures that you have duplicates of.
