Dear Parents and/or Guardians of Rockwood Students,

We are excited to announce that starting this school year you will be able to monitor and/or put money on your child's meal account over the internet 24 hours a day, 7 days a week using PayForIt.net.

By logging onto www.payforit.net, you can easily:

- Set up an account
- Deposit money at your convenience
- Set email reminders to notify you when your child's account gets low
- Set up recurring payments
- Check your child's account balance, at no cost
- Request an activity report so you can see what your child has eaten in the previous 30 days, at no cost

To set up an account, all you will need is:

- A valid email address
- A credit card
- Your child's student identification number

Each child in your family can be set up on the same account. **If you decide to put money on your child's account, there is a 4.75% charge per transaction.** *However, there is no charge for using the system to monitor your account if you choose to continue to use the traditional method of sending money into the school.* Once the money is put on the account, it typically appears in your child's account in less than 24 hours.

If you have any questions about this, please contact the administrative office 926-4688.

Best Regards,

Mark R. Bower
Superintendent/High School Principal
